- 28 100th Day of School

Lil' Hornet Families:

We hope everyone had an amazing break and is rejuvenated and ready for a busy December! November's Harvest of Learning was a blast! Thank you to the families and students that attended and to the teachers that prepared hands-on educational activities that everyone enjoyed! We have lots of fun activities for our students and our families this month so please check your student's SeeSaw account regularly.

We are excited to have our Holiday programs this year and look forward to our students showing off their hard-work and practice! Please see (page 2) the date, time, and location of your student's performance.

Don't forget we have our ECC Holiday Photo Fundraiser for our ECC Activity account on December 3rd. We will have a festive holiday background and décor. Pictures must be paid for on or before December 3rd. Only students who pre-pay on or before December 3rd will take a photo. The cost of each photo (4x6) is only \$5!

Classroom Holiday Parties will be on Thursday, December 16th. Your student's teacher will provide you with more information. All items that are donated for the party must be store bought, sealed, and individually wrapped.

This month our Little Hornets will participate in a "Lock-Down" safety drill. We understand this is a sensitive drill, and want to reassure you, our teachers have participated in these drills before and explain it in terms that our young Hornets understand.

Winter break is right around the corner. Please review our district calendar for upcoming student holidays. Friday, December 17th is a Student Holiday! Little Hornets return to school on Wednesday, January 5th! We will miss our Hornets but want them to enjoy their time with families and friends!

### ECC Administrative Team

Molli Martinez *Principal*  
Jessica Philomeno *Asst. Princ.*  
Erica Mora *Counselor*  
Kristen LaBaume *School Nurse*  
Kelli Floyd *Librarian*

*Mrs. Martinez, Principal*

# PTO News

Please look out for updates from the ECC PTO. They have a Christmas Shop Fundraiser that has items for students to purchase for their family and friends. All items are very reasonably priced, and money raised by the PTO supports our school and students.

Our PTO is also hosting an Attendance incentive for students that have perfect attendance for December 1st thru December 14th. More information from PTO to come. Incentive will be given to students on December 15th!
